

The International Terminal

The Logistic Centre – International Terminal

International Terminal, which obtains the Customs Branch Office Terminal Belgrade (no. 11568), is located in Block 43, at the Corridor 10 highway – the most important traffic artery in the region, i.e. at the intersection of roads which lead to Zagreb, Budapest, Skopje, Athens, Sophia and Istanbul.

It was built in 1984. The International Terminal sets the highest standards of business, and provides all necessary services in one place.

Terminal provides following services:

- Freight vehicle parking while in customs procedure
- Vehicle parking at the car park “Blok 43”
- Public customs warehouse – A type
- Public commercial warehouses
- Office space lease
- Customs clearance of goods and consulting services, etc.

In addition to the mentioned services of customs freight and car parking, PUC “Parking servis” provides services of towing away of cars and trucks up till 3 t and over 3 t of weight.

Free Wi-Fi services are provided at International Terminal. The users can get the password from a parking attendant.
